The SVCA has worked tirelessly, since 1949, to manage development in the Sweetwater Valley. As an unincorporated community, the SVCA fills an essential role as the leading advocate for our community with the County of San Diego and surrounding municipalities. We need your financial support and activism to continue this legacy. As we head into our 60th anniversary year, we are introducing new membership categories to help support a new and more vigorous organization that can build the foundation for the next sixty years. We are asking for your consideration and support to make this vision a reality.
