Our Mission Statement

As Organic Gardeners we will:

- ☼ Respect natural diversity and enhance biological cycles by mimicking nature
- ☼ Use natural fertilizers and pesticides instead of using chemicals and poisons
- ☼ Build soil fertility by adding organic matter
- ☼ Create self-sufficient and fully sustainable gardens
- ☼ Think more and work less
- ☼ Live with imperfection
- ☼ Have the patience to wait for results

Please mail your completed Membership Application and \$12* for your dues to:

Sherrí Jancasz
