

Friends of the Bonita-Sunnyside Library

The Friends of the Bonita-Sunnyside Library is a group of community volunteers that help support our local branch library in a variety of ways. This “support group” of interested citizens work together to raise funds for the library, to provide ideas for library programs and activities, and acts as a sounding board for library administrators on branch issues. The Bonita-Sunnyside branch is YOUR library and needs your support. Plus we have the Friends bookstore which is always in need of a helping hand. Just a few hours a week would be so helpful.

No experience necessary! All volunteers are welcome!
